

Draft November 2022 Minutes

Minutes of the meeting of Wembury Parish Council held at Wembury Village Hall, on the 28th November 2022.

Parish Councillors Present: Cllr Brown, Cllr Drought, Cllr Bennett, Cllr Kenny, Cllr Smith, Cllr Edwards, Cllr Newnham, Cllr Stansell and Cllr Truscott.

Clerk: Ella Peters

22-124 Chair opens the meeting.

Chair opened the meeting at 19:30

22-125 Apologies.

Cllr Short and Cllr Cox sent their apologies which were accepted unanimously.

Proposed: Cllr Brown, Seconded: Cllr Drought

RESOLVED: To accept the apologies of Cllr Short and Cllr Cox.

22-126 Absent.

Cllr Chown

22-127 Declarations of Interests & Dispensation Requests.

i. Cllr Stansell and Cllr Drought declared interests in planning application 3575/22/HHO

22-128 To suspend the business of the Council to allow speaker presentations.

The public forum was opened at 19:33

i. Cllr John Hart's Report

The Clerk read out Cllr Hart's Report. See Annex A

ii. Karen Dent- Fusion Sport and Community Development Officer

Karen Dent introduced herself to the council. She works within 4 areas in South Hams, Wembury being one of them. She wants the council to know that they can contact her for any help with helping to utilise sports and outdoor space within Wembury. Her role is to get people moving and active to keep healthy.

Cllr Bennett, introduced himself and explained that the council are approving 4 pieces of fitness equipment this evening after the community were surveyed on their preferred pieces of equipment.

Cllr Smith ask if Karen was involved with Active Devon. Karen said that they run alongside each other. Her organisation is non-profit.

ii. Jessica Tatton-Brown

Jessica said that she had a useful meeting with Alex Low and a Natural England representative regarding concerns of the SSSI. She hopes it was beneficial for him and to meet Natural England. She also said that the goals of the Natural Trust and Natural England are aligned with their management plan.

iii. Penny Pyne-

Penny explained that the National Trust hosted 2 additional drop in sessions on 8th and 12th of November as a follow up to the information sharing session from October. People could directly ask questions due to constraints at the information session.

There were estimated to be around 150 attendees at the information sharing session and questions were asked and there was good engagement. She is aware that not everyone could have come along so they are working to compile a set of frequently asked questions, a summary of what has happened to date and next steps for the project that will be online and in a newsletter style.

The Area of Outstanding Beauty, South West Coast Path, Plymouth and South Devon Community Forrest, Woodland Trust and Plymouth Coastal Observatory groups all joined the National Trust at the drop in sessions.

The National Trust are working with the grain store tenant in order for them to vacate. No date is set but they said it is in hand. The former wedding barns planning permission is in process and they hope to submit it soon.

iii. Member of the Public

A member of the public spoke against application 3575/22/HHO.

The points made were:

- i) Overdevelopment of the site on the North side
- ii) Loss of light to neighbours windows.
- iii) Whilst the plan PDT 3 02a says 'the new stone wall at identical height of existing building rendered garden wall' the plan PDT 3 04a already shows it higher. There is no height shown for the existing wall, or set for the top of the new wall on the plans.
- iv) The proposed wall will create a wind tunnel effect along the side of the neighbour's house, especially with the prevailing South Westerly winds.
- v) An excavation seriously undermining the neighbour's path, wall and drainage foundations.
- vi) An impractical man hole that will seriously undermine the wall, path and existing drainage.
- vii) The gargoyle shown on plan PDT 3 04a is not practical, as the water will spill down and over our boundary wall. Any drainage from the roof should be piped away from the wall.
- viii) Concern that the roof of the new building could be used as a patio, which would allow substantial over-looking of the neighbour's lounge.
- ix) The relationship between the proposed extension and the neighbour's building is not clearly shown on the plans.

ii. District Council Report

Cllr Brown explained that the main point to raise is that there has been an improvement in the bin collection service.

Cllr Brown explained that some residents' recycling is on a co mingle basis and so if a truck collects all your recycling into one joint recycling unit, then there is no point in separating it as it is separated at the sorting centre.

The Public forum closed at 19:58

22-129 To confirm the minutes of the Parish Council meetings held on 31st October 2022 -circulated prior.

Cllr Stansell proposed to confirm the October 2022 minutes. Seconded by Cllr Smith
All in favour (9)

RESOLVED: To agree the 31st October minutes as a correct record of the meeting and for the Chair to sign them.

22-130 To consider current planning matters and to receive monthly planning applications.

Planning applications

i. Reference: 3573/22/HHO

Proposal: Householder application for single storey front extension with balcony & cladding to partial first floor

Site Address: 3A Meadow View, Highfield Drive, Wembury, PL9 0EX

Cllr Bennett proposed no objection, seconded by Cllr Kenny. 8 in favour, 1 abstention.

Comment: No objection. To suggest taking into consideration parking issues for the neighbour.

ii. Reference: 3702/22/HHO

Proposal: Householder application for rear extension & internal alterations

Site Address: 28 Veasy Park, Wembury, PL9 0ES

Cllr Bennet proposed no objection, seconded by Cllr Kenny. 8 in favour, 1 abstention.

Comment: No objection

iii. Reference: 3575/22/HHO

Proposal: Householder application for the erection of a single-storey side extension (north)

Site Address: Swiss Cottage, Andurn Estate, Down Thomas, PL9 0AT

Cllr Newnham proposed objection, seconded by Cllr Truscott. 6 in favour of objection, 3 abstentions.

Comment: Objection based upon the following grounds:

1.) Overdevelopment - Overdevelopment of the site on the North side. A similar extension could more easily be constructed on the West side, away from the neighbours property.

2.) Loss of Light- There is loss of light to the neighbour's south facing lounge and dining room windows. The proposed wall is only about 2 metres away from the lounge window and comes up about 1 metre above the window sill leaving only 0.5 metre above. The wall also extends about 1 metre beyond the front of the building and some 2 metres beyond the face of the existing building. The wall and overhang could be substantially reduced without affecting the scheme, or the whole extension could be moved back 2 metres to be flush with the face of the existing building.

3.) A wind tunnel affect created by the proposed wall- Whilst the plan PDT 3 02a says the new stone wall at identical height of existing building rendered garden wall, the plan PDT 3 04a already shows it higher. There is no height shown for the existing wall, or set for the top of the new wall on the plans. The proposed wall will create a wind tunnel effect along the side of the neighbour's house, especially with the prevailing South Westerly winds.

4.) Detrimental impact upon residential amenities- An excavation some 6 metres long and 2 metres below the neighbour's side path and only 1 metre away from the neighbour's single blockwork boundary wall, will be well below and seriously undermine their path, wall and drainage foundations.

5.) A manhole is shown on plan PDT 3 02a abutting the neighbour's boundary wall, with a second manhole and two drainage pipes laid within the 1 metre gap between the boundary wall and the new wall. This is impracticable and will seriously undermine the neighbour's wall, path and existing drainage.

6.) The gargoyle shown on plan PDT 3 04a is not practical, as the water will spill down and over the neighbour's boundary wall.

7.) There is also concern that if this building is completed, the roof of the new building could be used as a patio, which would allow substantial over-looking of the neighbour's lounge and dining room windows.

8.) Unclear plans- The relationship between the proposed extension and the neighbour's building is also not shown clearly on the plans.

iv. Reference: 3879/22/HHO

Proposal: Householder application for construction of new garage & conversion of existing garage to bedroom

Site Address: Pendyce, Beach Road, Heybrook Bay, PL9 0BS

Cllr Drought proposed no objection, seconded by Cllr Newnham. 6 in favour of no objection, 3 abstentions.

Comment: no objection

v. Reference: 3615/22/HHO

Proposal: Householder application for proposed alterations to roof to form a first floor bedroom

Site Address: 16 Veasy Park, Wembury, PL9 0ES

Cllr Bennett proposed no objection, seconded by Cllr Kenny. 6 in favour, 2 abstentions

Comment: no objection

vi. Reference: 3884/22/HHO

Proposal: Householder application for external decking (Retrospective)

Site Address: 45 Cedar Park, Bovisand, PL9 0AG

Comment: no comment

vii. Reference:3965/22/TPO

Proposal: G15: Sycamore & Blackthorn - re-coppice regrowth from Sycamore coppices (excluding large m/s Sycamore at N end), prune Blackthorn to boundary line of garden vertically, Northern Sycamore crown lift over vegetable garden to 5m above g/l, G16: Sycamore & Blackthorn - retain large m/s to the North of group, coppice regrowth from recently coppiced Sycamore, prune Blackthorn to boundary line of garden vertically, Northern Sycamore crown lift over vegetable garden to 5m above ground level.

Site Address: 46, Barton Brake, Wembury, PL9 0BJ

Comment: The council refers to the comments of the tree warden Adam King.

viii. Reference: 3526/22/HHO

Proposal: Householder application for extension to front of garage with matching construction to existing garage

Site Address: 4 Mewstone Avenue, Wembury, PL9 0JY

Cllr Bennett proposed no objection, seconded by Cllr Newnham. 8 in favour, 1 abstention

Comment: no objection

Planning Applications- For information only

i. Application Number: 3957/22/PAT

Proposal: Application for prior notification of proposed development for proposed base station installation upgrade to the existing telecommunications installation, proposed 8m tower extension, removal and replacement of 3No. Antennas with 3No. Antennas, proposed installation of 2No. dishes, 1No. cabinet and upgrades on associated ancillary works by telecommunications code systems operators

Location: Mast at SX 515 491, Wembury

The Clerk had emailed regarding the councillors' questions from the last meeting but has not had a response.

22-131 Committees and Working Groups

i. Wembury Recreation Ground

a. General Update- Cllr Bennett. Circulated prior

Cllr Bennet read out his report (See Annex B)

a. Survey feedback and ratification of equipment choice. Report circulated prior.

The Clerk re-read the report for the councillors and the top four pieces of equipment that were chosen were:

1.) Cross Trainer

2.) Pedal Bike

3.) Chin up bars

4.) Rower

Cllr Bennett proposed the above four items to be selected for Wembury Recreation Ground. Seconded by Cllr Drought. 8 in favour, 1 abstention.

RESOLVED: To select a cross trainer, pedal bike, chin up bars and a rower as the four pieces of fitness equipment for Wembury Recreation Ground

ii. Highways –

a. General Update

Cllr Edwards gave his update:

The two Traine road signs are now in place. It was noted that there is a spelling mistake on one of the signs and Cllr Edwards shall look into it.

Cllr Edwards was informed that Nick Colton has a list of 41 highways priorities and Mewstone avenue double yellow lines are number one so they will hopefully be done in 2023. The 2nd priority is Cross Park road pathway resurfacing.

Cllr Edwards notes that when the public report pot holes, please can they ensure that measurements are correct.

Cllr Edwards talked about the possibility of putting a handrail alongside the path that leads from the scout hut to Knighton road (next to Wembury Stores). Cllr Edwards will find quotes and bring the issue back to council. It shall be on the January agenda

b. Parking on bus route.

A resident has raised concerns of people parking on the bus route along Mewstone Avenue. Cllr Brown asked people to be considerate of parking so bus and emergency services can get through.

iii. Beach Liaison Group-

a. Report- Cllr Smith

The Beach Liaison group consists of stakeholders that either operate or have an interest in the parish. It has generally been a good season, certainly for the café, Wembury Marine Centre, the sailing club, Churchwood Valley and the National Trust. The Church has been struggling with low attendance. They have very low bookings for weddings next year

There was a discussion around swimming buoys on Wembury beach. Some members of the public want them to be put back. Cllr Smith said that they have not been in place for years and, as far as she is aware, no incidents have been reported.

It was also noted the new years day swim is not happening. People are likely to still go ahead and do one but it would not be affiliated with beach liaison group.

Cllr Smith spoke of good water quality results due to good weather over the summer period.

She noted the inclusive work that the National Trust are going to be doing regarding the disabled access to Wembury Beach.

Cllr Smith has sent the councillors a report from Plymouth Coastal Observatory. There has been a general increase in sand at the beach since 2017. It was building up nicely this year but now it is all gone. There is a large gap at the bottom of the step which shows; partially the effects if climate change but also natural variation.

Cllr Edwards asked Cllr Smith about what had happened with complaints regarding the café at Wembury Beach.

Cllr Smith explained that it was regarding lack of parking machines. The machines are National Trust owned. They were vandalised and not replaced. The current system only takes coins and it costs £6 per day. There were also complaints from the public regarding lack of bins for dog waste.

Cllr Brown noted that the Marine Centre are not responsible for the pay and display machines.

Cllr Stansell spoke about the buoys on the beach and said that South Hams District Council had originally felt there was significant risk for buoys and he believes another risk assessment should be done.

Cllr Drought queried as to why the buoys were deemed necessary years ago but not now?

Cllr Brown noted that the jurisdiction of Wembury bay for a body of water is unclear.

Cllr Stansell explained that South Hams District Council took it upon themselves to put buoys out.

Cllr Brown expressed his thanks to Wembury Marine Centre and the Beach Liaison Group for their continued work.

22-132 Other Matters for Discussion and Decisions.

i. Police Report.

Cllr Kenny read out his report:

Recorded Crime for the Parish since Nov 1st shows just one report, an event within the home environment.

Calls for service via 101 – 999, there were 8.

On the 1st November a report via 999 of a 'female screaming' in the area of Southland Park. Officers attended but were unable to locate the female – no further reports.

On the 10th November, report of a vehicle in the Beach car park with damage consistent with a RTC and the driver asleep. Officers attended but the vehicle had left.

On the 15th November, officers attended an address on behalf of HM Coroner following a report of an unexpected death. (Natural causes)

There were four other logs relating to a faulty Personal Attack alarm fitted within an address in the Parish. Given the nature of such alarms, when we are notified by the monitoring company, we will attend.

ii. Clerks Report

The Clerk read out her report. See Annex C

iii. Vulnerable members of the community living with Dementia: A discussion of possible ways the Parish Council could help people living with dementia during the cost of living crisis this winter.- Cllr Drought

Cllr Drought explained that members of the community benefitted a lot from help during covid including people living with dementia and asked if people can quietly call round to neighbours to make sure they are ok. The council will contact Dementia Friendly Parishes around the Yealm about how best to help people living with dementia.

iv. Speeding issues in Down Thomas (Cllr Short)

Deferred to January meeting as Cllr Short was unable to attend.

v. To amend the Standing Orders to allow for the council to postpone a meeting due to illness without the need to meet in person to vote on the decision to postpone the meeting.

Cllr Drought explained that at the last meeting, the council was in a situation where the meeting almost needed cancelling; last minute. He sought advice to which he was told that the council would still have to call the meeting and cancel it once the meeting had begun. However, this could be avoided if the council's standing orders were changed.

Cllr Newnham proposed to delegate authority to the Chair and Vice Chair in conjunction with the Clerk to agree to revise the standing orders. Seconded by Cllr Bennett. All in favour (9)

RESOLVED: To delegate authority to the Chair and Vice Chair in conjunction with the Clerk to agree to revise the standing orders.

vi. Warm Spaces- to discuss

The Clerk explained her proposed idea of two warm spaces/community hubs in both Wembury and Down Thomas.

i. Consideration of responses to community survey.

The Clerk explained that a small amount of people had responded to the survey but it indicates that the spaces would be used.

ii. Approval of application to Devon Communities Together for a grant to facilitate the warm spaces.

The council approved the application to Devon Communities Together by the Clerk

iii. To delegate authority for the Chair and Vice Chair in connection with the Clerk and RFO to authorise spending of any successful grant application on provision of warm spaces within the parish.

The council agreed to delegate authority to the Chair and Vice Chair in connection with the Clerk and RFO

Cllr Truscott proposed to approve items i, ii and iii, seconded by Cllr Bennett. All in favour (9)

RESOLVED: To approve items i, ii and iii

The council also agreed that DBS checks were not needed and to start the spaces/hubs as two sessions per week, commencing in January.

viii. To decide upon where the condolence books should be kept.

It was agreed to donate the condolence books to Wembury History Society to archive.

xi. To discuss and decide whether to have a December meeting.

Cllr Brown proposed to not have a December meeting, seconded by Cllr Newnham. All in favour (9)

RESOVLED: To not have a December meeting

22-133 To receive Financial Reports.

- i. Financial Statement for November 2022 - See Annex D
- ii. Bank Reconciliation for November 2022- See Annex E
- iii. Reserves Balances November 2022- See Annex F

Cllr Brown proposed to accept items i, ii and iii seconded by Cllr Drought. All in favour (9)

RESOLVED: To accept items I, ii and iii above as a true record.

- iv. External Audit- to receive and acknowledge the external audit circulated prior.

Cllr Brown proposed to acknowledge the external audit, seconded by Cllr Drought. All in fav (9)

RESOLVED: To acknowledge the external audit

- v. To note the increase in pay and holiday leave for the Clerk and RFO in line with the union negotiated rise, backdated to April 2022. Details circulated prior.

Noted

- vi. Precept and Budget setting for 2023/24. Details of current and expected spend and recommendations of Finance Committee circulated prior. To discuss and decide whether to accept the recommendations of the Finance Committee and to set the requested budget for 2023-2024

Cllr Brown proposed to accept the recommendations of the Finance Committee and to therefore set the requested budget for 2023-2024, seconded by Cllr Drought. All in favour (9)

RESOLVED: To accept the recommendations of the Finance Committee and to therefore set the requested budget for 2023-2024

- vii. Replacement of Bus Shelter Glass due to vandalism. Details circulated prior. To discuss and decide whether to make a claim to the insurance company and whether to replace one or both panels.

Cllr Brown proposed to delegate the decision to Chair and Vice Chair in conjunction with the Clerk and RFO. Seconded by Cllr Newnham All in fav (9).

RESOLVED: To delegate the decision to Chair and Vice Chair in conjunction with the Clerk and RFO.

viii. Replacement of fence at entrance to recreation ground which is unstable. £148.42. To discuss and decide whether to get JFGS to replace the fence.

Cllr Brown proposed to replace the fence, seconded by Cllr Drought. 8 in favour, 1 against.

RESOLVED: To replace the fence at the entrance to the recreation ground car park at a cost of £148.42

ix. Appointment of Internal Auditor. To discuss and decide whether to ask Peter Vassallo to continue to do our internal audit.

Cllr Drought proposed to remain with Peter Vassallo, seconded by Cllr Stansell. All in favour (9)

RESOLVED: To ask Peter Vassallo to continue to do the councils internal audit.

x. Request for grant from Ivybridge Ring and Ride- to discuss and decide whether to provide a grant for Ivybridge Ring and Ride (£300)

Cllr Brown proposed to grant £300, seconded by Cllr Bennett. All in favour (9)

RESOLVED: To grant Ivybridge Ring and Ride £300

xi. Mewstone Avenue Bus Shelter – to discuss and decide whether to go with the original decision, due to an £822 price increase when revisited. Alternatively, to look again at updated prices in January once all possible providers have requoted.

Cllr Smith proposed to remain with the original decision for the bus shelter, seconded by Cllr Bennett. All in favour (9)

RESOLVED: To remain with the original bus shelter decision for Mewstone Avenue

22-134 Exchange of Information- No decisions may be made on items raised here.

Cllr Smith noted the immense contribution Peter Lugar made to the Parish.

Richard Harper from Wembury Village Hall has resigned.

The Clerk reminded councillors to send planning application suggestions via email due to there not being a December meeting.

22-135 Close of Meeting

The meeting closed at 21:08

ANNEX A to Wembury Parish Council meeting – 28th November 2022
Cllr John Hart's report

I am working on the Budget for next year and preparing for the round of Parish Cluster meetings due to start shortly. I have been interviewing for a new Chief Executive last week. Hoping to appoint someone shortly. The overspend for this year has been reduced but we still have a large gap for next year's budget. The Autumn statement has given County Councils the opportunity to raise Council Tax by an Extra 2%. This for Devon is about £9million. The increase in the Minimum Wage announced at the same time will cost DCC £9.1million. We already have an Extra £7million for salaries this Financial Year that were unbudgeted. As well as other costs far higher than the 2% inflation increase that was predicted in December last year. The Local Government settlement is due to be announced just before Christmas so this year we have decided to delay agreeing our Target Budget for 2023 / 24 until our January Cabinet meeting. Locally, I have been reporting a number of Potholes. Particularly the one in Church Road to Highways using the system. I am hopeful it will get filled quickly. Finally, I would like to thank you all for what you do for the Parish and wish each of you a very happy Christmas as it appears there is unlikely to be a December meeting.

ANNEX B to Wembury Parish Council meeting – 28th November 2022
Cllr John Bennett's Report

Fitness equipment

The survey report will be available at the November Parish meeting. Three suppliers will then be contacted to provide quotes.

Second wild flower planting

There will be a workshop organised by Parklife Ltd. On Saturday 26th November to educate volunteers in the preparation and planting of community spaces. Parklife will also inspect the hedgerow infill areas.

Defibrillator on the recreation ground

Quotes are being sought and local tradesmen have been contacted as regards the installation.

Teenage shelter

Every effort is being made to obtain the best quotes for the repair or replacement of the shelter, some of which are quite expensive.

ANNEX C to Wembury Parish Council meeting – 28th November 2022
Clerk's Report

November Clerks Report

- I have been working on researching a community hub/warm space initiative which I am presenting at the November meeting.
- I have written up a report on the Fitness equipment findings that I am presenting at the November meeting
- I have been continuing my training and have been looking at management of projects, services, facilities or assets.
- The meeting regarding vandalism around Wembury is going to take place online in January – not date confirmed yet
- The Tree that was fully blown down by the skate park is not salvageable and will need to be replaced.
- There has been more graffiti in the teenage shelter which James continues to sort.
- The bus shelter opposite the school was damaged- a replacement quote is on the November agenda.
- James is cutting back shrubs in the WRG to help over the winter period.
- There was some flooding due to blocked drains in various areas which James unblocked the best he could.
- A reminder to send all planning application suggestions from December to me via email.
- I have requested a free cyber talk for the community from Devon & Cornwall Police Cyber Security Team for the New Year as councillors expressed an interest.
- I am attending John Harts Parish Cluster meeting on December 12th. If anyone has anything they wish for me to raise, please let me know.

ANNEX D to Wembury Parish Council Agenda – 28th November 2022
