

Devon County Council Focus

The document is **strategically focused on creating a more integrated, financially resilient, and locally accountable system of local government** in Devon. Its core attention is on **reorganising local government structures** to:

- **Improve service delivery** – especially in **children’s services, SEND, adult social care, and housing**.
- **Achieve financial sustainability**
- **Strengthen local accountability**
- **Enable strategic alignment** – particularly with **health, policing, transport, and economic development**.
- **Support vulnerable communities** – particularly **children with SEND, care leavers, older adults, and those facing homelessness**.
- **Reflect Devon’s diversity**
- **Be future-ready** – digital etc.
