

Plymouth Focus

The document's core focus is on **supporting an administrative boundary extension for Plymouth** to enable **sustainable, strategic growth** in housing, infrastructure, and public services. It argues that this expansion will:

- Improve **governance and service delivery**
- Ensure the city can meet **national growth and housing objectives**
- Strengthen Plymouth's role as a **regional economic hub**
- Maintain and respect the **identity of surrounding communities**
- Increase **financial sustainability and efficiency** for the city council
