

DRAFT

Minutes of the Neighbourhood Plan Committee

16th of October 2023

The meeting was opened at 19:00

1. Present

Cllr Cox, Cllr Edwards, Cllr Stewart.
Clerk: Anne Towill

2. History of the Wembury Parish Neighbourhood Plan

There was an update by Cllr Cox and the Clerk about the history of the neighbourhood plan and how this can be used to shape the plan of action for the progression of the neighbourhood plan and the set up of the new Neighbourhood Plan Committee.

3. Committee

The makeup of the committee was discussed and how it would work as a council committee. It was agreed that many of the old members should be approached about rejoining and new members sought who reflected the makeup of the parish. Cllr Cox will contact the old members to ask if they are still interested in being a part of the committee.

4. Funding

There was a discussion around the previous funding of the old committee. It was agreed to recommend to council that Lucy, as Finance Officer would be asked to research funding streams for the Neighbourhood Plan.

5. Community Engagement

After discussion the committee decided that it would be a good idea to find a way to engage with the community in spring/summer 2024, once there was a better idea of what was happening next. Attending community events was thought to be a good alternative to organising a stand alone event. A lot has happened since 2019 when the last event was held and so it is important to revisit it.

6. Next Meeting

Monday 13th November 2023 at 7pm. Cllr Cox will organise a venue.

The meeting was closed at 20.04
